MEMORANDUM FOR: TALENT Control Officer, U. S. Navy

ATTENTION: Commander Julius M. Larsen

SUBJECT: Sanitization of [redacted] TALENT Photography 25X1

1. Please find attached a copy of your draft proposal to the Utilization Advisory Board in which the Navy requests authorization for the sanitization of specific [redacted] TALENT photography. 25X1

2. Draft proposal explains the methods and the limitations which the Navy will utilize in effecting the sanitization.

3. The procedure outlined in the draft has been reviewed and concurred in by the Executive Secretary of the UAB after consultation with the TSO/CIA and the DC/HTA. The procedure appears to be acceptable for formal presentation to the UAB with the possible exception outlined in Item 2(c) which it is suggested read:

"only vertical exposures would be used...."
